Weddings

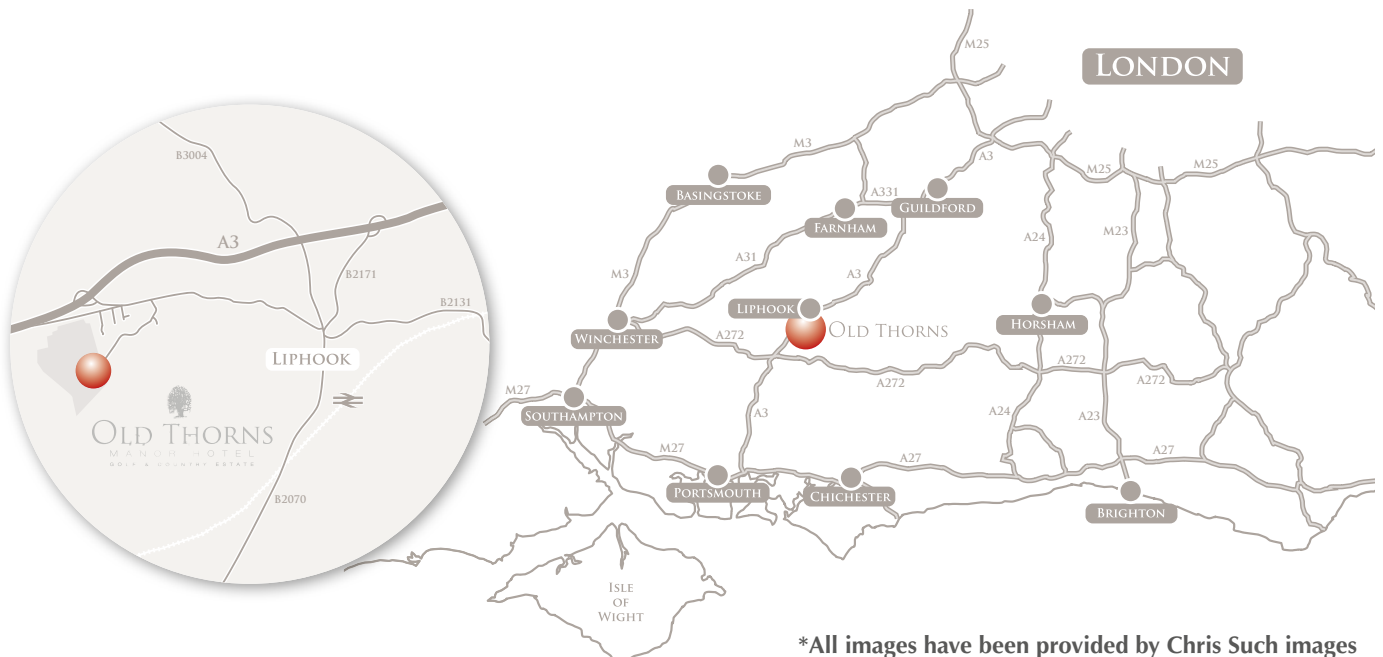

At Old Thorns Manor Hotel we believe your special day is as important to us as it is to you, Old Thorns offers stunning views overlooking our championship golf course set in the rolling hills of the North Hampshire countryside, this makes us the perfect venue to celebrate your special day.

Old Thorns is licensed for Civil ceremonies for up to 250 guests in six locations around the hotel. We have carefully selected our packages to suit all tastes and budgets. Each package includes an arrival drink, three-course wedding breakfast, wine throughout your meal, a toast drink and other special touches including overnight accommodation in one of our honeymoon suites.

Golf

Old Thorns magnificent championship golf course ranges across the rolling hills of the North Hampshire countryside and offers fantastic views at every turn. Mature trees, natural springs, lakes and testing bunkers give real character to the course which, while kind to the less experienced golfer, holds some surprises for the player who enjoys a challenging round in a classic English landscape.

The par 72 course has an illustrious history, being designed by the BBC's 'voice of golf' and the club president, Peter Alliss. Its official opening saw Seve Ballesteros, Jack Nicklaus, Isao Aoki and the then reigning Open Champion, Bill Rogers, play a competitive four ball. Their scorecards can be seen today in the new Sports Bar.
